Policies

Securing Appointment Date

Your date will be secured when the signed contract and cash deposit are received. All reservations for weddings are made on a "first-come-first-served" basis. No dates will be guaranteed without a signed contract and cash deposit.

Deposit

After receiving the necessary information on this contract to establish the appointments for the services you've requested, your Salon Wedding Coordinator, Karen Bradley, will contact you with the cash deposit total that will be due immediately to officially secure all of your appointments. We will hold on to this deposit until the day of your wedding. This cash deposit amount will be a total of the service provider's **average service prices**. The deposit will include a 15% tip. If you want to give an additional tip, you may give cash to the designer on the event day. Service price increases will not be included in the deposit but will be due in cash on the event day. (During the consultations given prior to the event day, exact service quotes may be provided to you by the service provider.) If we collect your deposit and find that we are not able to accommodate the services you have requested, your deposit will be refunded in full.

Payment

On the day of the wedding, the only payment due will be any service price increases and service provider's tips. We accept cash and any credit cards inside the salon. **If we are providing services to you outside the salon, we can only accept cash.** Your cash deposit will be held at the salon until your event day.

Contract/Appointment Changes

We are more than happy to add services for you if we have the available time to provide them. If you choose to add services it must be submitted in writing to be added to the contract. At that time you will need to turn in the added service cost to your cash deposit. All agreements will be made in writing. All wedding information, appointment start and finish times, and name of guests to be serviced with descriptions will be given to you by mail or in person. The bride is the only one that may submit changes/additions to the contract and Karen Bradley is the only one that can accept and make them. Changes may be faxed to 540.387.5898.

Late Arrivals

Unfortunately, if anyone in the wedding party arrives more than 10 minutes late, we may not be able to perform their service depending on the designer's following appointment. If the scope of the original contract cannot be fulfilled due to the client's tardiness, services may be cut short (if done at all); however, the original amount will still be owed.

Cancellation Policy

If cancellations are made more than 30 days prior to the event date we will refund all but 30% of the cash deposit. If cancellations are made 14 days or less prior to the event date we will refund all but 45% of the cash deposit. If cancellations are made 7 days or less prior to the event date we will refund all but 60% of the cash deposit. If the bride does not show up for her trial run, it is up to the designer if they feel comfortable in performing the scheduled service on the event day or not.

Style to Perfection

With all Bridal services we **require** an initial free consultation with all guests to discuss all matters concerning the requested style on event day. **Trial runs are required for the bride** and are suggested but not required for everyone else. (standard charges apply for trial runs) **Any guest getting an updo of any kind (partially up or fully up) must have a consultation with their designer prior to the event day.** During the consultation, any hair accessories, veils, etc. that will be used on the event day should be presented. We do not require a consultation for shampoo/blow dry-styles or special occasion down styles but if you'd like to have one we'd be happy to do it for you.

Third Party

Wedding photographers and videographers are welcome in the studio. Caterers, personal makeup artists or hair designers are not permitted.

Food and Beverages

We offer our clients complimentary coffee, mountain springs water, and seasonal: lemonade, hot tea, and iced tea. You are welcome to bring additional food and beverages as long as it is disposed of properly.

Special Event Guide-Additional Information for you all others receiving services:
